INDEPENDENT AUDITOR'S REPORT

The Board of Directors National Organization for Rare Disorders, Inc.:

We have audited the accompanying financial statements of National Organization for Rare Disorders, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities and changes in net assets, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

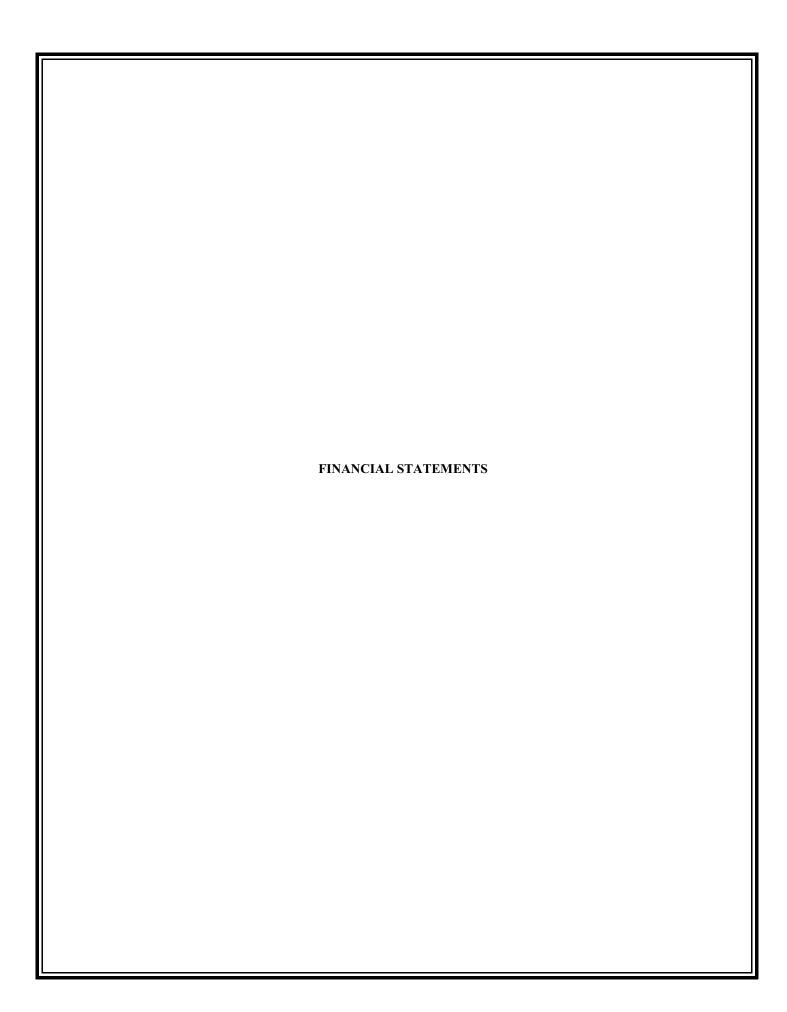

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Organization for Rare Disorders, Inc. as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2012 and 2011

NOTE 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities

The National Organization for Rare Disorders, Inc. (NORD or the Organization) is a not-for-profit organization incorporated on May 4, 1983, under the laws of the State of New York.

NORD was formed to create a clearinghouse for information on rare disorders; to aid government agencies in activities pursuant to the Orphan Drug Act; to encourage and promote increased scientific and clinical research on rare disorders; and to provide services to patients and their families, especially to enhance their access to medical treatment for their diseases. NORD manages both indigent care drug programs that provide medication at no cost to those in need and financial hardship relief programs to provide individuals that meet objective criteria, with insurance premium and co-payment assistance through funds provided by various pharmaceutical companies.

Basis of presentation

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with generally accepted accounting principles as accepted in the United States (referred to as GAAP).

Income tax status

NORD has received exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(a)(vi).

Management has reviewed the Organization's reporting and believe they have not taken tax positions that are more likely than not to be determined to be incorrect by the Internal Revenue Service and therefore no adjustments or disclosures are required.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the certain reported amounts. Accordingly actual results could differ from those estimates.

Cash and cash equivalents

For the purpose of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Allowance for bad debts

The allowance for doubtful accounts is based on management's evaluation of specific accounts receivable at the end of the year. Receivables are written off to the allowance when it is probable that the Organization will not collect the receivable. There were no allowances as of December 31, 2012 and 2011.

Property and equipment

NORD follows the practice of capitalizing all property and equipment with a cost exceeding \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets with a range in lives from 3 to 30 years. There are no planned major maintenance activities.

Net assets

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the limitations and restrictions are maintained in the following net asset categories:

Unrestricted

The Organization's unrestricted net assets are for general use by the corporation.

Temporarily restricted

Temporarily restricted net assets represent contributions and other resources that are restricted by the donor either as to purpose or as to time of expenditure.

Notes to Financial Statements

December 31, 2012 and 2011

Temporarily restricted, continued

Temporarily restricted net assets are available to provide services to patients and their families, especially to enhance their access to medical treatment for their diseases, and for disease specific research grants, as specified by the donors. Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes as specified by the donors.

The Organization reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction expires or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Permanently restricted

Permanently restricted net assets represent contributions that are so restricted that neither the passage of time nor actions by the Organization can fulfill the restriction. There were no permanently restricted net assets as of December 31, 2012.

Reclassifications

Certain line items in the fiscal year 2011 statements of activities and changes in net assets have been adjusted in order to conform to the presentation of the fiscal year 2012 amounts.

NOTE 2

CONCENTRATIONS

During the years ended December 31, 2012 and 2011, the Organization had one donor who represented 24% and 23%, respectively of their revenues.

The Organization maintains their cash balances with various financial institutions. Such deposits at times have exceeded federal depository limits; however, the Organization believes its cash deposits are not subject to significant credit risk.

NOTE 3

INVESTMENTS

All investments are available for sale and transfer to support Organization requirements (including Board designations) and presented on the financial statements at fair market value. Generally accepted accounting principles have determined that short-term and long-term investments traded on the open market (individual stocks, ETF's and mutual funds) are determined by reference to quoted prices of identical instruments generated by active market transactions and are considered to be level one transactions. All of the Organization's investments are considered to be level one.

The following schedule reflects the market value of investments at December 31:

	<u>2012</u>	<u>2011</u>
Equities and mutual funds Corporate bonds	\$303,736	\$ 53,307 290,426

NOTE 5

DEBT OBLIGATIONS

The Organization has a mortgage payable to a bank with an annual interest rate of 5.75% through February 2024, secured by the Organization's office building. The balance outstanding on this mortgage was \$693,044 and \$736,092 as of December 31, 2012 and 2011, respectively.

Interest expense incurred on the mortgage for the years ended December 31, 2012 and 2011 was \$41,203 and \$43,602, respectively.

Maturities of the mortgage payable for the next five years are as follows:

2013	\$ 45,589
2014	48,281
2015	51,131
2016	54,150
2017	57,347

NOTE 6

TEMPORARILY RESTRICTED NET ASSETS

Community directed donations

The Organization has developed a financial hardship relief program that provides insurance premium assistance and copayment assistance for individuals meeting objective criteria. In connection with this program, the Organization has entered into agreements with several pharmaceutical companies, whereby NORD will make payments to individuals from the community directed donations. The amount of contributions received under these programs was \$6,382,479 and \$7,416,673 in 2012 and 2011, respectively and such contributions are considered temporarily restricted funds.

NOTE 7

OPERATING LEASES

The Organization leases certain office space in Washington D.C. and Quincy, Massachusetts under non-cancelable operating leases expiring in May 2014 and December 2017, respectively. The leases have renewal options and, in addition to the base rent, are also subject to a pro rata share of certain operating expenses.

The total base rental operating lease payments under these non-cancelable leases are as follows:

2013	\$155,539
2014	115,576
2015	88,080
2016	91,750
2017	95,420

NOTE 8

DEFINED CONTRIBUTION PLAN

The Organization maintains a 403(b) plan for most employees. Employer contributions are equal to 5% of the employee's regular annual compensation. Contributions for the years ended December 31, 2012 and 2011 were \$74,905 and \$85,388, respectively.

NOTE 9

SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 23, 2013, the date on which the financial statements were available to be issued.
